

Digital Lion Referral Program

Take advantage of our referral rewards program and receive up to \$1,000 referral bonus on any single project

(General referral guidelines and average rewards, for your individual reward amount contact Digital Lion.)

Each valid website design/development lead receives \$10 whether or not they decide to continue (continuation of this is subject to our discretion). If they decide to continue, it will be added to the referral bonus of 5-10%.

Current basic new project estimates of which you will receive a percentage for referrals
